1. Registration, tuition, and other fees are per student per year for each year enrolled with the exception of the yearbook fee (one per family per year).
2. The family maximum applies only to tuition.
3. All classes are included in the tuition cost; however, certain classes noted have additional fees.
4. To receive an early payment discount on tuition, you must pay the full amount by June 30, 2021; otherwise, the total amount is due (tuition and other fees) by the first Friday school date, unless arrangements are made in advance with the administration to set up a payment plan. Failure to make payments by due date will result in a late fee and possible removal from CBCA. Withdrawal or removal from CBCA does not constitute a forgiveness of the balance due.
5. Other specified fees are billed as applicable. All fees/registration/tuition are non-refundable.
6. CBCA schedules two mandatory school-wide fundraisers during the school year. All registered students are required to participate in both fundraisers. Students who choose not to participate will be obligated to the fundraiser opt-out fee per fundraiser.
